WHEN-WHILE

1 'While' is used to express two continuous actions happening at the same time.
Example: While you were sleeping , I was doing the housework.

2 'When' is used to express an action that happened in the course of another action.
Example: When we were in the city center , we went to nice restaurants.

3 'While' or 'When' is used when a continuous long action is interrupted by a short action.
Example: (while) I was doing homework , (when) my mother knocked at the door.

4 'When' is used to express an action that happened immediately after another action.
Example: When Joe shouted at Tina , she left him in the cafe and went away.
